7.2.1 – Describe at least two institutional best practices

The Haji Anfar Ali College is committed to meet the academic and social needs of the people of the region. A number of steps taken to ameliorate the academic atmosphere of the college through the initiative of IQAC. During the period the best two practice so far implemented are:: (1) Reforms in Continuous Internal Evaluation (CIE) system: The Haji Anfar Ali College is affiliated to Gauhati University, Assam and strictly adhere to the guidelines of examination evaluation process of the university. There are a number of Internal Assessments conducted. The schedules of internal assessments are communicated to students and faculty members in the beginning of the semester through college academic calendar which is prepared on the basis of the university academic calendar. The College has reformed the continuous internal evaluation system from faculty centric to student centric. An Internal Examination Committee is framed which conducts the examination at par with the calendar of the Affiliated University and the institutions as well. As per the guidelines, the following reforms have been carried out effectively conducting CIE. Scheduling of Internal Examination, Seating arrangements, hall invigilators listed for every examination and preparing the question paper for twenty per cent of the prescribed marks for the internal examination in the prescribed pattern based-on the part of the syllabus covered. The scrutiny of the prepared question paper is carried out by the in-charge of the internal sessional examination to ascertain quality of the question paper. There is system of monitoring the attendance of the students for the Examination and the evaluation of the submitted answer script has to be carried out within the stipulated time. After that the faculty members evaluate the answer scripts and distribute to the students for doubt clarification. The faculty members then keep them in the department and submit the scripts to the University examination branch as and when called for. Result review meetings are conducted with result analysis and the remedial actions for further improvements are taken after discussion with faculty, HoD and Principal. Performance of the students in Internal Assessment is used for Faculties to identify slow and advanced learners in their respective subjects. Slow Learners are encouraged to improve their performance in future by counselling and taking remedial classes. After a gap of fifteen days, schedule is announced for re-appearing in the under scored papers in the Special Sessional examination. The process proved fruitful in increasing the pass percentage of the college. (2) Curriculum and co-curricular Activities:- The students College participate in extra-curricular and co-curricular activities. The academic activities are conducted in college throughout the year. As per the academic calendar, the college adhered to available working days. The celebration of national days, celebration of various anniversary, celebration of special days, educational tour, departmental activities, various literacy days, awareness programmes and rallies, organising workshop and seminar activity are planned and implemented accordingly. The college follows all the related curricular, co-curricular and extra-curricular activities for the better academic work. Besides, the institution adhered to the participation in youth festival, participation inter-collegiate sports and debate competitions etc. Further, the Women Cell of the college working hard to organise and celebrate programmes like national women's' day, rights of girl child, etc.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college has its vision and mission as vividly mentioned in the prospectus of the college. However, the prime vision and thrust area of the college is to impart and disseminate the spirit of higher education among the students especially of girl child. This is because-(a) The college is situated in a rural area covering both Hojai and Karbi Anglang district of Assam (b) Majority of the students admitted to the college are girl child (c) The majority of the students are from religious and linguistic minority communities and indigenous tribes with less educated family background even there are students who are admitted as first member of their family to avail higher education. So, the college strive for better performance in increasing the pass percentage among the students by spreading the message education for all
