**MOST IMPORTANT**

**To:**

**The Principal of Colleges**

**SUBJECT: ESTABLISHMENT OF RESEARCH AND DEVELOPMENT CELL (RDC)  
IN COLLEGES.**

National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education System. Research and innovation are important aspects of enhancing quality education by colleges. Hence, it was felt that there is a need to prepare guidelines to put a robust mechanism for the promotion of research and development in HEIs. Accordingly, UGC has brought out Guidelines for the establishment of a Research and Development Cell (RDC) in HEIs. These Guidelines have been put up on the UGC Website.

It is important to mention that Guidelines provide a clearcut road map for the establishment of RDC with its objectives and functions. The purpose of these Guidelines is to develop and strengthen the research ecosystem within colleges, aligned with the provisions of NEP-2020. RDC is expected to play a very important role in catalyzing research culture in colleges mandated in NEP-2020. Therefore, all Colleges have been requested to establish RDC as per the UGC Guidelines available on the UGC website: [www.ugc.ac.in](http://www.ugc.ac.in).

As per the information, many colleges have not taken necessary action in this regard, so far. All Principal of Colleges who have not established RDC, so far, is requested to take action for the establishment of an RDC in their College, as per the UGC guidelines, immediately and upload the information in this regard on UGC's University Activity Monitoring Portal (UAMP): [www.uamp.ac.in](http://www.uamp.ac.in). If an RDC has already been established in your college please ignore this communication.
