

## APPEAL

To Students & Guardians of Haji Anfar Ali College

We are all aware of the fact that the COVID-19 virus has now become a great threat to mankind. Millions of people in the world have already lost their lives to this pandemic. It has disturbed the social, economic as well as academic systems around the world.

As there is no medicine/vaccine discovered so far for the treatment of the affected people, it will be wise to stay at home and remain safe. Considering the changed situation, the authority of Haji Anfar Ali College, Doboka with the active cooperation of its lecturers has decided to impart education to its students online college portal <http://haaonline.org.in> during the lockdown period as per guidelines of the U.G.C. and G.U.

Students are advised to avail of this opportunity by studying at home and communicate with their respective teacher(s) through the links in the above-mentioned portal to prepare themselves for the ensuing exams.
