The Workshop on the Four-Year Undergraduate Programme (FYUGP) was held on 13th June 2023 at the Auditorium Hall of Haji Anfar Ali College. The primary objective of the workshop was to provide first-hand information about the FYUGP to students who recently passed their Higher Secondary Examination. The event witnessed a large number of students and guardians participating, showing significant interest in understanding the structure and guidelines of the Gauhati University FYUGP, which would be implemented from the session 2023-24.

The workshop featured esteemed speakers who provided valuable insights into the FYUGP and its various aspects. Mr. Ataur Rahman, HoD, Political Science & NEP Task Force Convenor spoke extensively on the structure and guidelines of the Gauhati University FYUGP. He provided detailed information about the subjects available in eSAMARTH, the online platform for the programme. His session helped the participants understand the curriculum and the academic framework of the FYUGP.

Dr. Hasinus Sultan, Associate Professor & the Admission Module Coordinator, highlighted the main features of the FYUGP specific to Haji Anfar Ali College. He focused on the provisions available through eSAMARTH for students during the admission session 2023-24. Using the projector display, he effectively presented the admission process and the benefits it offers to the students.

Dr. Mamun Azam Barbhuiya, Principal, HAAC shared valuable information on the availability of subjects and the step-by-step process of filling up forms. His session enabled the students to understand the choices available to them and the procedures they needed to follow for a successful application.

The workshop facilitated an interactive environment where students had the opportunity to engage with the resource persons. They asked questions and sought clarifications on various aspects of the FYUGP. The interaction allowed students to gain further insights and a better understanding of the programme, making the session more beneficial for both the students and their parents.

The Workshop on the Four-Year Undergraduate Programme (FYUGP) organized by the IQAC and Admission Committee of Haji Anfar Ali College was a resounding success. The event provided recently passed Higher Secondary Examination students with vital information about the FYUGP, its structure, guidelines, and subjects available in eSAMARTH. The sessions conducted by the resource persons, Mr. Ataur Rahman, Dr. Hasinus Sultan, and Dr. Mamun Azam Barbhuiya, were informative and well-received by the participants. The interactive nature of the workshop allowed students to have their queries addressed directly. Overall, the workshop played a significant role in preparing the students for the upcoming FYUGP and ensured that they and their parents were well-informed about the admission process and available subjects. The contributions of the IQAC and Admission Committee members, as well as the support staff of Haji Anfar Ali College, were instrumental in making the workshop a success.
